## Experience

### 2023-2023(2months)

#### The Digital Hacker - Tech News Author

In between job searching and academic problems, I decided to take on SEO and its' knowledge.

### 2018 - Current

#### Freelance Translator

#### Translation and Localization

I have been practicing Translation and Interpretation techniques since 2018.  
Works: Antioche du Pyriam / Istanbul University

### 2019

#### World House Hostel - Front Desk Reception

Greeted guests and made interaction with them about their stays and waited as a night clerk for 2 months.
